

Expert in the Field of Gender in Lebanon

Terms of Reference

The Heinrich Böll Foundation is part of the Green political movement that has developed as a global response to the traditional politics of socialism, liberalism, and conservatism. Our main areas of work are ecology and sustainability, democracy and human rights, self-determination and justice. We place particular emphasis on gender democracy, in particular, social emancipation and equal rights for women and men.

In this regard, we are looking for an expert to analyze the current gender context in the face of the political stalemate and economic collapse in Lebanon. The task of the expert will also include a mapping of gender related initiatives and of relevant organizations, including civil society, research centers, community projects and political groups.

The study should provide a practical insight into this context and be non-academic and should be written in English.

Requirements

- Deep insight into gender and women's rights context in Lebanon
- Excellent networks within relevant civil society, grassroots initiatives and/or research
- Excellent written English skills

How to Apply

Kindly send a short concept note and CV to Noor.Baalbaki@lb.boell.org before the 1st of November 2021.
